**To register, or for more information, contact the workshop leader.**

---

Project WILD is an interdisciplinary K-12 conservation and environmental education program emphasizing wildlife. This workshop will offer exciting new teaching ideas for use in science, math, social studies, language arts, and environmental education classes.

Each participant will receive the Project WILD K-12 Activity Guide, the Aquatic WILD K-12 Activity Guide, and a packet of great resource materials!

---

Project WILD in Wisconsin is sponsored by the  
Department of Natural Resources.
